

## Regulations “STT Horse Welfare Price”

### Mission:

The Zürich Youth Masters stands for a high level of ethical practice. As the Zürich Youth Masters is an event for the stars of tomorrow, the organization committee wants to take responsibility and help shaping the mindset of the young riders, where horsemanship needs to play a key role. “Creating a partnership. This is what I do. I’ve never put all my focus on winning. Being a horseman is what I desire the most.” Is a quote from Jeroen Dubbeldam, former World Champion (2014) and European Champion (2015). This is the mindset we seek to pass onto the next generation of horse riders. Therefore for the first time there will be the award “STT Horse Welfare Price” at this year’s event. A study was initiated by the FEI’s education and standards department to find out if the concept of horsemanship could be quantified. The “STT Horse Welfare Price” takes the findings of this study into account along the regulations stated below.

### Participants:

Upon arrival, the Chef d’Equipes nominate up to two riders of each category (Children, Juniors, Young Riders and U-25) who will be observed for good horsemanship practices. The nominees will participate for the “STT Horse Welfare Price” together with their groom. The riders should not be told who the participants are, so that every rider tries to show good horsemanship practices.
